EXPERIENCE

Bolt.new — Content and Communications Director *Feb 2026 – Present / Remote*

- Built and rolled out an AI-powered tool stack for content strategy, copywriting, editing, and research, including a Claude-linked copy desk for editorial review. Distributed company-wide and across the creator and agency network.
- Designed a custom editorial calendar with Google SSO and integrations to Claude, Ordinal, Linear, and Notion.
- Built a measurement framework for PR metrics and GEO/AEO tracking.
- Diagnosed AI-answer visibility and citation performance, then built and executed a GEO/AEO content strategy against the gaps: grew own-domain citations from 786 to 1,809 in a month (#9 → #5 among all cited domains, the largest gain in the top 25) while holding #1 in AI-answer visibility (57.3%, +3.6 points month-over-month).
- Established a new PR program from the ground up: defined the enterprise and entrepreneur audience, mapped the media universe.
- Expanded the spokesperson bench from 1 to 6.
- Extended earned media coverage beyond the US into the UK.
- Conducted original customer research to define and separate previously blurred audience segments.
- Built a customer story pipeline sourced from B2C customers.
- Personally write and edit ongoing blog posts, customer stories, and web copy, staying hands-on with execution while setting the strategy the rest of the team builds against.
- Led foundational brand work spanning mission and vision.
- Defined tone of voice and editorial guidelines.
- Set content strategy across both B2B and B2C messaging.
- Launched a new blog.
- Increased publication cadence from 1–2 posts/month to 3–4/week.

Mendix, a Siemens Business — Director of Content and Public Relations *Jul 2023 – Feb 2026 / Remote*
